

BUSINESS ACTION ITEM STAFF REPORT

ITEM 6C DISCUSSION AND ACTION TO CHANGE THE DATES OF THE AUGUST AND SEPTEMBER 2024 MEETINGS.

SUMMARY: The SSCSD Board previously approved the extension to September 1 for the development of the 24-25 District Budget. Staff is requesting an adjustment to the Board meeting schedule to accommodate the budget process without requiring a Special Meeting.

Staff requests having the August meeting re-scheduled from Thursday August 1 to Thursday August 29, and eliminating the Thursday September 5 meeting.

While this will likely make the August 29 meeting agenda a bit larger, it will eliminate the /need for a Special Budget meeting.
