

BUSINESS ACTION ITEM STAFF REPORT

A. Item 3.A. Discussion regarding the California Coastal Commission meeting and permit conditions for the Waste Water Treatment Plant after the fact permit for the rip-rap.

Staff has attached a copy of the revised special conditions being recommended by Coastal Commission staff as part of the ATF CDP (After the Fact Coastal Development Permit) for the installation of Rip Rap along the west and north perimeter of the WWTP (Wastewater Treatment Plant). These conditions will be included in the staff report being presented to the Coastal Commissioners during their July meeting. Coastal Commission Staff considers this version of the ATF CDP conditions to be final and anticipates Coastal Commission approval. The full staff report can be found at: <https://www.coastal.ca.gov/meetings/agenda/#/2019/7>

Staff is asking the Board to review the attached ATF CDP conditions and information and provide direction to staff.
