VOLUNTEERS STILL NEEDED FOR THE SAN SIMEON CHAMBER OF COMMERCE

The San Simeon Chamber of Commerce greets visitors from all over the world, providing information and advice about local area attractions. Come by the center to get information or just to say hello. We welcome volunteers who like to greet visitors and provide information. The San Simeon Chamber of Commerce is open 9 am to 5 pm Mon - Fri and is located at the Cavalier Plaza, 250 San Simeon Avenue, Suite 3A. Call the Chamber office at [\(805\) 927-3500](tel:8059273500). You can also visit their website at <http://www.VistSanSimeonCa.com>

WEED ABATMENT: HYDRANTS, METER BOXES

CAL Fire will begin inspections in San Simeon soon. All property owners should start the weed abatement process. Please have all areas cleared on or before CAL Fire inspections. Contact CAL Fire for more detail.

As a reminder, District Staff has been performing weed abatement along all District easements, hydrants and meter areas. Please do not place items on top of the meter boxes/lids or allow over growth of plants to cover the meter boxes. These items/plants must be removed by District Staff to read the meter. Also, if you have plants or shrubs that approach or cover fire hydrants, these plants will be cut back. There must be a 3 foot clearance around fire hydrants at all times.

BE IN THE KNOW:

The Board meets the second Wednesday of each month. Our meeting start time is now 2:00 p.m. Meetings are held in a downstairs banquet room at the Cavalier Plaza. Be informed about District business and current and future projects. The District welcomes any and all feedback. Attending a Board meeting is the best way to gather accurate information and stay informed.

PARKING: RV's

If you have friends or family planning to visit San Simeon with their RV or trailer that will need to be parked on District streets, please remember that you must get a permit from the District Office. SSCSD Ordinance 107 details the RV parking permit requirements. We ask hotels that have patrons with RV's to park on hotel property or obtain a parking permit from the SSCSD if street parking is necessary.

The parking permit is to keep tourists from camping on our streets. Please inform SSCSD Staff whenever you see an RV on District streets without a bright pink parking permit. The permit should always be posted on the driver's side window. We thank you for your assistance in this matter.

LENDING LIBRARY: Pico Ave

There is now a small lending library of books (both English and Spanish) for the children in our community. Please help yourself.
