Board of Directors San Simeon Community Services District

BOARD PACKET

Wednesday, August 9, 2017 Regular Meeting 6:00 pm

> Cavalier Banquet Room 250 San Simeon Avenue San Simeon, CA

> > Prepared by:

AGENDA SAN SIMEON COMMUNITY SERVICES DISTRICT **BOARD OF DIRECTORS REGULAR MEETING** Wednesday, August 9, 2017

6:00 pm

CAVALIER BANQUET ROOM 250 San Simeon Avenue San Simeon, CA 93452

- REGULAR SESSION: 6:00 PM
 - A. Roll Call
 - B. Pledge of Allegiance

2. PUBLIC COMMENT:

Any member of the public may address and ask questions of the Board relating to any matter within the Board's jurisdiction, provided the matter is not on the Board's agenda. Presentations are limited to three (3) minutes or less with additional time at the discretion of the Chair. Your comments should be directed to the Board as a whole and not directed to individual Board members. The Brown Act restricts the Board from taking formal action on matters not published on the agenda.

- A. Sheriff's Report Report for July.
- B. Public comment on Sheriff's Report.
- 3. PRESENTATIONS AND ANNOUNCEMENTS FROM BOARD:

4. STAFF REPORTS

- A. General Manager's Report Summary of July Activities.
- B. Superintendent's Report Summary of July Activities.
- C. District Financial Summary Update on Monthly Financial Status for close of business July 31, 2017.
- D. District Counsel's Report Summary of July activities.

5. ITEMS OF BUSINESS

- A. Consideration of approval of last month's minutes July 12, 2017.
- B. Consideration of approval of Disbursements Journal August 9, 2017.

6. DISCUSSION/ACTION ITEMS

- A. Discussion of weed abatement including the services provided by CalFire and the option to request the Local Agency Formation Commission (LAFCO) activate the weed abatement power.
- B. Consideration of introduction of an ordinance repealing District Ordinance No. 93 regarding abatement of hazardous weeds, trees and debris.
- C. Discussion and Consideration to direct staff to select a consultant to perform the environment analysis pursuant to the California Environmental Quality Act (CEQA) for the water tank project.
- D. Discussion and Consideration to direct staff to work with District Counsel on the preparation of a form response letter to will serve requests.
- 7. BOARD COMMITTEE REPORTS Oral Reports from Committee Members.
- 8. BOARD REPORTS Oral Reports from Board Members on current issues.
- BOARD/STAFF GENERAL DISCUSSIONS AND PROPOSED AGENDA ITEMS Requests from Board members to Staff to receive feedback, prepare information, and/or place an item on a future agenda(s).

10. CLOSED SESSION

CONFERENCE WITH LEGAL COUNSEL – ANTICIPATED LITIGATION

Significant exposure to litigation pursuant to Paragraph (2) of Subdivision (d) and Paragraph (3) of Subdivision (e) of Section 54956.9: One potential case

11.RECONVENE TO OPEN SESSION – An announcement of any reportable action taken in closed session with be made in open session.

12. ADJOURNMENT

All staff reports or other written documentation, including any supplemental material distributed to a majority of the Board within 72 hours of a regular meeting, relating to each item of business on the agenda are available for public inspection during regular business hours in the District office, 111 Pico Avenue, San Simeon. If requested, this agenda shall be made available in appropriate alternative formats to persons with a disability, as required by the Americans with Disabilities Act. To make a request for a disability-related modification or accommodation, contact the District Administrator at 805-927-4778 as soon as possible and at least 48 hours prior to the meeting date. This agenda was prepared and posted pursuant to Government Code Section 54954.2.

4A. GENERAL MANAGER'S REPORT Charles Grace Update for July 2017

4A. GENERAL MANAGER'S REPORT August 9, 2017

1. Staff Activity – Report on Staff activities for the month of July

For the month of July, staff sent out billing along with the third quarter newsletter. The new rates that took effect on July 1st were updated in the RVS system. Staff continued to provide documentation to FEMA as part of our application process. Staff also continued working with a property owner on the removal of dead trees that are posing a public threat and need to be removed.

Staff was also in contact with a certified Traffic Control Planner regarding the public's inquiry about installation of crosswalks and sidewalks at various locations in the community.

2. Update - Reservoir /Storage tank project.

Phoenix Engineering is continuing progress toward 30% design. Visual impact from the Castle was reviewed and determined to be minimum to no impact according to San Simeon CSD General Manager and Hearst Corporation staff.

3. Crosswalk Survey.

Attached is a draft crosswalk survey proposal for comment, staff anticipates the arrival of one or two more proposals.

4. Grant Updates – Integrated Regional Water Management Grant (IRWM), PROP *84 FUNDS

The DDW (Department of Drinking Water)/County has paid the District the first installment of the Prop 84 Grant Reimbursement for the RO Unit. Attached to the General Manager's report is a copy of the check for \$332,310,87.

There is a remaining balance of \$16,182 (retention amount) which will be forwarded once the DDW releases the final funds. There is no set date on the dissemination of the second payment. Staff continues to perform the quarterly reporting on the RO system usage to the DDW.

Total spent on the project to-date:

\$ 928,088.00 -\$500,000.00 USDA Grant <u>-\$348,492.87</u> DDW Grant \$ 79, 595.13 District cost

Mr. Charles Grace San Simeon Community Service District 111 Pico Avenue San Simeon, CA 93452

RE: San Simeon Crosswalk Survey Project; San Luis Obispo County, California

<u>DRAFT</u> Proposal to Provide Professional Traffic Engineering Services

Dear Mr. Grace,

Pinnacle Traffic Engineering (PTE) is pleased to submit a proposal for professional traffic engineering services. Information provided by your office indicates the San Simeon Community Service District (CSD) is interested in evaluating pedestrian access, circulation and safety within the community. The San Simeon community has numerous tourist oriented businesses on both sides of State Route 1 (SR 1). The local hotels and restaurants generate pedestrian traffic between these businesses and across SR 1 (San Simeon Lodge, San Simeon Beach Bar & Grill, Silver Surf Motel, Courtesy Inn, Big Sur California Café, Manta Rey Restaurant, Days Inn, Sunset Grill, Motel 6, Best Western, Cavalier Restaurant, Sands by the Sea, El Chorlito Restaurant, The Morgan at San Simeon, Sea Breeze Inn). The residential developments northeast of Avonne Avenue also generate pedestrian traffic within the community and across SR 1.

Based on our conversations, it is my understanding that the San Simeon CSD would like to conduct a survey of the existing pedestrian facilities to determine where future improvements could enhance pedestrian safety (e.g. additional sidewalk, crosswalk striping and signing, access ramps, and/or traffic control devices). The crosswalk survey would identify the locations of existing sidewalks and high pedestrian crossing locations. A list of recommendations would then be developed to provide a connected pedestrian circulation system, which could include the installation of missing sidewalk links and pedestrian crossing facilities (e.g. access ramps, crosswalk signing and striping, flashing beacons, etc). The initial focus would be on the sidewalk and street networks owned by the San Simeon CSD, with the secondary focus on the San Luis Obispo County and Caltrans facilities.

PROPOSED SCOPE OF WORK

The following is a brief description of tasks associated with the preparation of a Crosswalk Survey for the San Simeon CSD:

- 1.0 Project Coordination and CSD Board Meeting: This task includes the necessary coordination with the San Simeon CSD, and staff at San Luis Obispo County and Caltrans (if appropriate). An "Optional" Sub-Task would include my attendance at a San Simeon CSD Board Meeting to discuss the project understanding and approach. Any available mapping for the San Simeon community shall be provided by your office.
- 2.0 Area Site Visit and Sidewalk Survey: A visit to the San Simeon community will be conducted to review the overall street network and existing sidewalk facilities. The locations of existing lodging, restaurant and residential uses will be verified. The locations of existing sidewalks along Pico Avenue, Avonne Avenue, Castillo Drive, Otter Way, Hearst Drive, Vista Del Mar Avenue and Balboa Avenue will be recorded. The survey will also identify any existing pedestrian access facilities (e.g. ADA ramps) at the following intersections:
 - Pico Avenue and Avonne Avenue
 - · Avonne Avenue and Otter Way
 - · Pico Avenue and Castillo Drive
 - · Castillo Drive and Otter Way
 - · Pico Avenue and Hearst Drive
 - · Hearst Drive and Vista Del Mar Avenue

During the site visit any physical and/or environmental constraints will be identified which may affect the construction of future sidewalk and/or crosswalk improvements.

- 3.0 Evaluation of Pedestrian Circulation System: This task includes an evaluation of the existing street network and sidewalk facilities. The existing pedestrian circulation patterns and high pedestrian crossing locations will be identified. Based on a review of the crosswalk survey data, a list of improvement recommendations will be developed to enhance pedestrian safety along the local streets and at the intersections owned by the San Simeon CSD. The list of recommendations will also identify improvements that should be considered by San Luis Obispo County and/or Caltrans. Potential improvements could include the following:
 - Replacement of Existing Damaged Sidewalks
 - · Installation of New Sidewalks
 - Installation of Pedestrian Access Ramps
 - Installation of Crosswalk Signing and Striping
 - Installation of Flashing Beacon Warning Systems
 - Installation of LED Crosswalk Warning Systems

The appropriate exhibits will be prepared to illustrate the locations of the existing sidewalk facilities and recommended pedestrian circulation system improvements. An "Optional" Sub-Task would include the preparation of an Engineer's Opinion of the Probable Construction Costs associated with the recommended improvements.

4.0 Prepare Crosswalk Survey Report: A draft report will be prepared to present the survey data and summarize the evaluation of the pedestrian circulation system. The draft report will also include the improvement recommendations and circulation system exhibits. The draft report will be forwarded to your office for initial review and comment. The appropriate revisions to the draft report will be performed as necessary to address any comments provided by your office and finalize the report for the Board's consideration.

The proposed scope does <u>not</u> include the collection of any topographic survey or traffic count data (vehicular or pedestrian), an evaluation of traffic accident data, an evaluation of intersection "levels of service" (LOS), the layout or design of any improvements, attendance at more than one (1) San Simeon CSD Board Meeting (covered under an *Optional Sub-Task*), more than one (1) visit to the project area, or any other tasks not specifically outlined under the Proposed Scope of Work. Any work required beyond the budgeted amount for each specific task will be subject to additional compensation.

PROJECT SCHEDULE

PTE is prepared to begin work upon receipt of written authorization to proceed and an executed "Agreement for Consultant Services" with the San Simeon CSD. The Board Meeting on August 9th will only be attended if authorized under the *Optional Sub-Task*. The Area Site Visit and Sidewalk Survey (Task 2.0) will be scheduled within 2-3 weeks of commencing work on the project. It is anticipated that the draft Crosswalk Survey Report will be completed and ready for your initial review within 3-4 weeks of completing the Area Site Visit and Sidewalk Survey (Task 2.0). Any revisions to the draft report required to address your initial comments and finalize the report for the CSD Board's consideration will be completed within 5-10 working days.

PROFESSIONAL SERVICES FEE

The "Not-to-Exceed" (NTE) fee for the proposed traffic engineering services is _____ thousand, ____ hundred and ____ dollars (\$x,xxx); which includes \$x,xxx for the attendance at one (1) CSD Board Meeting (Optional Sub-Task), and the Area Site Visit and Sidewalk Survey (Task 2.0). A detailed Project Budget Estimate is attached for your review. Progress billings for Time and Expenses (T&E) will be submitted by work task, as defined under the Proposed Scope of Work.

If the proposed scope, schedule and fee are acceptable, please forward my office a copy of the San Simeon CSD's "Agreement for Consultant Services" for my review and execution. The appropriate insurance certificates for PTE will be provided upon request (e.g. General Liability, Professional Liability, etc).

Please contact my office with any questions regarding the proposal contents.

4B. SUPERTINTENDENT'S REPORT

Jerry Copeland

Facilities Update for July 2017

4B. SUPERINTENDENT'S REPORT

Activities of July 2017

1. Wastewater Treatment Plant

 All sampling, testing and reporting at the Wastewater Treatment Plant and the Recycled Water Facility was performed as required by the RWQCB. This included Annual and Semi-Annual samples.

2. Water Distribution System

- All routine sampling and testing was performed. The monthly report was submitted to the State Water Resources Control Board (SWRCB), Division of Drinking Water (DDW).
- Staff attended a class on Leak Detection and Water Loss presented by the California Rural Water Association.
- Annual Fire Hydrant flushing and exercising was completed. Annual Valve exercising was started.
- Monthly water meter reading was performed.

3. District and Equipment Maintenance

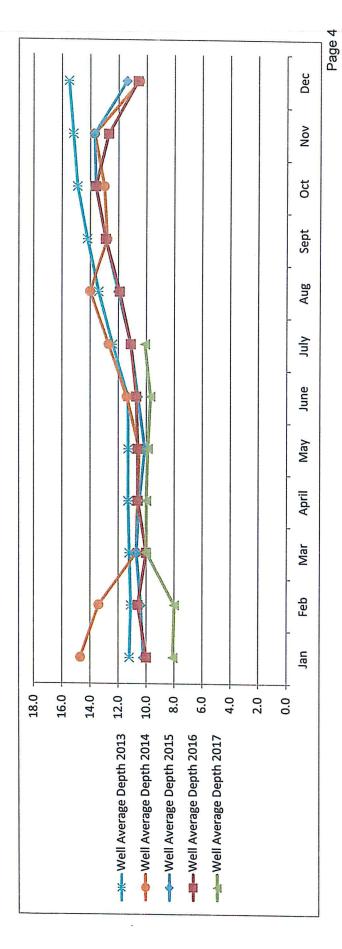

• Staff continues with all of the scheduled preventive maintenance for all the equipment at the facilities. We are recording all of these activities.

6:00 pm

CAVALIER BANQUET ROOM 250 San Simeon Avenue San Simeon, CA 93452

1. REGULAR SESSION: 6:02 PM

A. Roll Call:

Chairperson Williams – Present Vice-Chair Fields – Present Director Patel – Present Director Russell – Present Director McGuire – Absent General Manager, Charles Grace
District Counsel, Heather Whitham
Sheriff Representative, Commander Voge

B. Pledge of Allegiance

2. PUBLIC COMMENT:

Leroy Price commented on the number of gallons for fire protection that was referenced in the newsletter mailed to residents.

Charles Grace responded to this question. He remarked that there is a difference between the amount of water needed for buildout and what is needed for fire protection.

Director Patel recused himself. He passed out a letter to the Board of Directors. He asked that the Board make a determination on his claim against the District for the damage that occurred on his property.

Julia Stanert asked about when she could comment on the crosswalks.

Amanda Rice said that the Coastal Commission would be in Cambria on September 13-15, 2017. She stated that the Cambria CSD would be pleased if the San Simeon CSD would participate in this event.

A. Sheriff's Report for July

There were a total of 20 calls for San Simeon. Additionally, Commander Voge reported on the following items:

Included in these calls was an IRS phone scam and a disturbing the peace call.

On 7/14/17 Paul Humphries was observed attempting to hug an underage teenage girl. He was driving a maroon Ford Expedition with Texas plates.

On 7/14/17 on the 4900 block of San Simeon Creek Rd. an adult male assaulted 2 family members and was arrested for battery and domestic violence charges.

On 7/15/17 the Sheriff responded to a call for assistance from State Parks at the San Simeon Motel for a small vehicle fire. The owner of the vehicle was arrested for being intoxicated in public.

B. Public comment on Sheriff's Report

Ken Patel asked about receiving assistance from different agencies for certain types of calls.

Commander Voge responded by answering his questions.

3. PRESENTATIONS AND ANNOUNCEMENTS FROM BOARD:

None

4. STAFF REPORTS

A. General Manager's Report

1. Staff Activity – Report on Staff activities for the month of July.

For the month of July, staff sent out billing along with the third quarter newsletter. The new rates that took effect on July 1st were updated in the RVS (billing software) system. Staff continued to provide documentation to FEMA as part of our application process. Staff also continued working with a property owner on the removal of dead trees that are posing a public threat and need to be removed.

Staff was also in contact with a certified Traffic Control Planner regarding the public's inquiry about installation of crosswalks and sidewalks at various locations in the community.

2. Update – Reservoir /Storage tank project.

Phoenix Engineering is continuing progress toward 30% design. Visual impact from the Castle was reviewed and determined to be minimal to none, according to San Simeon CSD General Manager and Hearst Corporation staff.

John Richardson commented that the one year anniversary of the Chimney fire was three days away. He shared his concerns about when the tank project would be completed and requested a timeline of project completion dates.

Director Williams responded that the District needed to find sources of funding in order to pay for this project. The costs associated with funding would be several million dollars.

Julia Stanert remarked about the flag being visible from her home.

Charlie Grace responded that staff was currently working towards the creation of a visual mockup that would include the view from several vantage points. He also explained that there were several options that could be explored for mitigation issues.

Gwen Kellas asked if they could install three smaller tanks rather than two large tanks to help reduce the visual impact of the tanks.

3. Crosswalk Survey.

Attached is a draft crosswalk survey proposal for comment, staff anticipates the arrival of one or two more proposals.

Julia Stanert inquired as to whether the public would have the opportunity to be involved in the decision process of any crosswalk installation.

 Grant Updates – Integrated Regional Water Management Grant (IRWM), PROP *84 FUNDS

The DDW (Division of Drinking Water)/County has paid the District the first installment of the Prop 84 Grant Reimbursement for the RO Unit. Attached to the General Manager's report is a copy of the check for \$332,310.87.

There is a remaining balance of \$16,182 (retention amount) which will be forwarded once the DDW releases the final funds. There is no set date on the dissemination of the second payment. Staff continues to perform the quarterly reporting on the RO system usage to the DDW.

Total spent on the project to-date:

\$ 928,088.00 -\$500,000.00 USDA Grant -\$348,492.87 DDW Grant \$ 79,595.13 District cost

B. Superintendent's Report Summary of July Activities

1. Wastewater Treatment Plant

 All sampling, testing and reporting at the Wastewater Treatment Plant and the Recycled Water Facility was performed as required by the RWQCB. This included Annual and Semi-Annual samples.

2. Water Distribution System

- All routine sampling and testing was performed. The monthly report was submitted to the State Water Resources Control Board (SWRCB), Division of Drinking Water (DDW).
- Staff attended a class on Leak Detection and Water Loss presented by the California Rural Water Association.
- Annual Fire Hydrant flushing and exercising was completed. Annual Valve exercising was started.
- Monthly water meter reading was performed.

3. District and Equipment Maintenance

• Staff continues with all of the scheduled preventive maintenance for all the equipment at the facilities. We are recording all of these activities.

C. District Financial Summary

June Billing Revenue July Billing Revenue	\$ \$	72,908.04 80,196.01

D. District Counsel's Report Summary of July activities

Heather Whitham reported that counsel had assisted staff with providing the analysis related to the weed abatement item. Correspondence from a San Simeon resident was reviewed and a conference call occurred. The closed session memorandum was prepared. They also assisted with the preparation of the Board meeting packet for July.

5. ITEMS OF BUSINESS

A. Consideration of approval of last month's minutes – July 12, 2017.

A motion was made to approve the minutes with the corrections recommended by Director Russell and Cortney Murguia (Water Committee Portion).

Motion by: Director Russell

2nd: Vice-Chair Fields

Director McGuire was absent.

All in: 4/0

B. Consideration of approval of Disbursements Journal – August 9, 2017.

A motion was made to accept the Disbursements Journal.

Motion by: Director Russell 2nd: Chairperson Williams Director McGuire was absent.

All in: 4/0

6. DISCUSSION/ACTION ITEMS

A. Discussion of weed abatement including the services provided by CalFire and the option to request the Local Agency Formation Commission (LAFCO) activate the weed abatement power.

CalFire Captain Tony Gomes was present to answer any questions regarding this item.

Chairperson Williams inquired if CalFire had the authority to ask the owners of vacant parcels that are adjacent to improved parcels, to clear their lots.

Captain Gomes responded that CalFire had no authority over vacant parcels.

Heather Whitham clarified that San Luis Obispo County does not have an ordinance that requires weed abatement on unimproved (vacant) parcels.

Director Patel asked if the District had this authority.

Heather Whitham explained that in order for the District to have authority they would need to obtain weed abatement power from Local Agency Formation Commission) LAFCO.

Director Williams inquired if there was the possibility of the County creating an ordinance for weed abatement authority on vacant parcels.

John Richardson stated that he thought it would be a good idea to gather more information about this power.

A motion was made to direct staff to bring back more information outlining the process and costs involved with activating weed abatement power with LAFCO.

Motion by: Chairperson Williams

2nd: Director Russell

Director McGuire was absent.

All in: 4/0

B. Consideration of introduction of an ordinance repealing District Ordinance No. 93 regarding abatement of hazardous weeds, trees and debris.

Heather Whitham explained that the ordinance was unenforceable.

A motion was made to introduce an ordinance repealing District Ordinance No. 93 regarding abatement of hazardous weeds, trees and debris.

Motion by: Director Russell

2nd: Director Patel No: Director Fields

Director McGuire was absent.

All in: 3/1

C. Discussion and Consideration to direct staff to select a consultant to perform the environment analysis pursuant to the California Environmental Quality Act (CEQA) for the water tank project.

Charlie Grace noted that the wording of the item should be to direct staff to obtain bids only and not to select a consultant.

A consensus was reached to direct staff to obtain bids from consultants related to the CEQA portion of the tank project.

All in: 4/0

D. Discussion and Consideration to direct staff to work with District Counsel on the preparation of a form response letter to will serve requests.

Chairperson Williams was in favor of this item. Director Patel abstained. Vice-Chair Fields and Director Russell were not in favor of this item. No motion was made and no action was taken regarding this item.

7. BOARD COMMITTEE REPORTS

None

8. BOARD REPORTS

None

9. BOARD/STAFF GENERAL DISCUSSIONS AND PROPOSED AGENDA ITEMS

None

10. CLOSED SESSION

CONFERENCE WITH LEGAL COUNSEL - ANTICIPATED LITIGATION

Significant exposure to litigation pursuant to Paragraph (2) of Subdivision (d) and Paragraph (3) of Subdivision (e) of Section 54956.9: One potential case

11. RECONVENE TO OPEN SESSION

This report out is made pursuant to Government Code Section 54957.1(a)(4). As to the claim filed by Ken Patel against the District regarding the failure of a storm drain pipe under the Quality Inn property, Directors Williams, Fields and Russell voted 3 to 0 to reject the claim. Director Patel recused himself from closed session and Director McGuire was absent.

12. ADJOURNMENT @ 7:48 PM

6. DISCUSSION ACTION ITEMS

- A. Discussion of weed abatement including the services provided by CalFire and the option to request the Local Agency Formation Commission (LAFCO) activate the weed abatement power.
- B. Consideration of introduction of an ordinance repealing District Ordinance No. 93 regarding abatement of hazardous weeds, trees and debris.
- C. Discussion and Consideration to direct staff to select a consultant to perform the environment analysis pursuant to the California Environmental Quality Act (CEQA) for the water tank project.
- D. Discussion and Consideration to direct staff to work with District Counsel on the preparation of a form response letter to will serve requests.

6. DISCUSSION/ACTION ITEMS August 9, 2017

A. Discussion of weed abatement including the services provided by CalFire and the option to request the Local Agency Formation Commission (LAFCO) activate the weed abatement power.

Since the last Board meeting, staff spoke with several employees of Cal Fire as well as County Code Enforcement. Currently, there is not a County-wide weed abatement ordinance that allows Cal Fire to clear vacant lots. Cal Fire currently operates under Public Resources Code Section 4291, which is limited to improved parcels only. The lack of a County-wide weed abatement ordinance means Cal Fire cannot enforce weed abatement on vacant lots. A representative from Cal Fire will be present at the meeting to respond to questions regarding weed abatement.

If the District desires to commit to providing weed abatement services to San Simeon, it will need to request and obtain permission from the Local Agency Formation Commission (LAFCO) to activate the weed abatement power. The District would then be responsible to provide weed abatement services to San Simeon. Weed abatement involves compliance with a complex statutory process set forth in Health and Safety Code Section 14875 et seq.

Staff has been in contact with David Church from LAFCO to discuss invoking the weed abatement power. Staff recommends that if the District is interested in pursuing the weed abatement authority, the Board direct staff to come back with an item outlining the process and costs involved.

B. Consideration of introduction of an ordinance repealing District Ordinance No. 93 regarding abatement of hazardous weeds, trees and debris.

On February 9, 2000, the District Board of Directors adopted Ordinance No. 93 that provides for a procedure to abate weeds, dead trees and other debris that is accumulated on private property. The ordinance was adopted pursuant to Government Code Section 61623.5 and Health and Safety Code Sections 14875 through 14922. Government Code Section 61623.5, which was repealed effective January 1, 2006, provided that community service districts that were authorized to provide fire protection services had the authority to perform weed abatement pursuant to the Health and Safety Code. Section 61623.5 has been replaced by Government Code Section 61100(t), which provides weed abatement authority for community services districts that have such authority. The District currently has the following active powers: road maintenance, water, sewer and street lighting. The District does not currently have fire protection or weed abatement powers. As such, the District doesn't have the authority to abate weeds in accordance with the Health and Safety Code. Therefore, staff is recommending repealing Ordinance No. 93.

The District does have the authority to require the removal or any hazards that threaten the District's roads or facilities through a process separate and apart from the procedures set

forth in the Health and Safety Code. In addition, Cal Fire has weed abatement authority over properties with structures that are located in San Simeon.

C. Discussion and Consideration to direct staff to select a consultant to perform the environmental analysis pursuant to the California Environmental Quality Act (CEQA) for the water tank project.

At the last Board meeting, the Board acting upon a recommendation of the Water Committee, directed staff to include an item to consider hiring a consultant to perform the environmental analysis in compliance with CEQA for the water tank project. Staff is requesting direction from the Board to retain a consultant and start the CEQA process.

D. Discussion and Consideration to direct staff to work with District Counsel on the preparation of a form response letter to will serve requests.

At the last Board meeting, the Board acting upon a recommendation of the Water Committee, directed staff to include an item regarding the preparation of a form response letter to will serve requests. Staff is requesting direction from the Board to work with District Counsel on the preparation of a form response letter to will serve requests.

Cortney,

To clarify, CAL FIRE has authority under PRC 4291 to require 100' of defensible space from structures within SRA. The 100' is required at all times "but not beyond the property line". San Simeon is within SRA, therefore PRC 4291 applies, but only to parcels with a "building or structure" and only to the property line, not on to adjacent property. CAL FIRE has no authority in San Simeon for weed abatement on undeveloped parcels.

Activation of Powers

Community Services Districts

Any district wishing to exercise a latent power is required to receive LAFCO approval prior to providing the service (GC 56824.10-56824.14). The CSD law provides that LAFCO approval is required to perform certain services.

Purpose

To activate a latent or inactive power for a Community Services District. A CSDs active powers are determined by LAFCO. Government Code 61100 lists all the services that a CSD can provide to a community. Services/Powers that are latent must be activated through the LAFCO process as identified in the Cortese-Knox-Hertzberg Act.

Governing Body

The Community Services District Board of Directors

Activation of a Latent Power

- 1. A resolution of application adopted by a district that contains:
 - a. all the information specified for a petition (56700)
 - b. a plan for services pursuant to GC 56653
 - c. Must provide a 21 day notice prior to hearing
- 2. Once the resolution is filed with the LAFCO application and fees, the activation of the District latent power will follow the process described in the CKH Act.
 - a. Application Review: funding and budget, service provision, boundaries,
 - b. If approved by LAFCO, the activation is subject to Protest Process.

Plan for Services

Plan for Services discusses the costs of service, the financing plan, the level and range of services, and alternatives to having the District perform this service.. To activate a latent power includes the following information pursuant to Government Code Sections 56824.12 and 56653:

- Description of Service(s)
 - a. Description of the services to be extended to the affected territory. Include the level and range of services to be provided
 - b. Indicate when services can be extended to the affected area(s)

- c. An indication of any improvement of structures, roads, sewer or water facilities, or other conditions the local agency would require within the affected territory if the latent power is activated.
- An identification of existing providers, if any, of the new or different function or class of services proposed to be provided and the potential fiscal impact to the customers of those existing providers.
- 3. A written summary of whether the new or different function or class of services to provide particular functions or classes of services, within all or part of the jurisdictional boundaries of a special district, pursuant to subdivision (b) of Section 56654, will involve the activation of the power to provide a particular service or services, service function or functions, or class of service or services.
- 4. A plan for financing the establishment of the new or different function or class of services within the special district's jurisdictional boundaries.
 - a. The total estimated cost to provide the new or different function or class of services within the special district's boundaries.
 - The estimated cost of the new or different function or class of services to customers within the special district's jurisdictional boundaries. The costs may be identified by customer class.
 - c. Identify and describe the revenue sources. Discuss the stability of the revenue sources and future availability.
 - d. Provide an initial budget that describes anticipated expenses associated with the service to be provided
 - e. Indicate if a prop 218 action will be required.
 - Other information with respect to how services will be financed.
- 5. Alternatives for the establishment of the new or different functions or class of services within the special district's jurisdictional boundaries.

ORDINANCE NO. 17-XXX

AN ORDINANCE OF THE BOARD OF DIRECTORS OF THE SAN SIMEON COMMUNITY SERVICES DISTRICT REPEALING ORDINANCE NO. 93 REGARDING ABATEMENT OF HAZARDOUS WEEDS, TREES AND DEBRIS

WHEREAS, the San Simeon Community Services District ("District") is a community services district duly formed under Government Code Section 61000 et seq. to provide community services within the District's service area; and

WHEREAS, on February 9, 2000, the District Board of Directors adopted Ordinance No. 93 that provides for a procedure to abate weeds, dead trees and other debris that is accumulated on private property; and

WHEREAS, the ordinance was adopted pursuant to Government Code Section 61623.5 and Health and Safety Code Sections 14875 through 14922; and

WHEREAS, Government Code Section 61623.5, which was repealed effective January 1, 2006, provided that community service districts that were authorized to provide fire protection services had the authority to remove flammable material, weeds etc. pursuant to the Health and Safety Code; and

WHEREAS, Section 61623.5 has been replaced by Government Code Section 61100(t), which provides weed abatement authority for community services districts that have such authority; and

WHEREAS, the District currently has the following active powers as authorized by the Local Agency Formation Commission: road maintenance, water, sewer and street lighting;

WHEREAS, the District does not have fire protection or weed abatement powers; and

WHEREAS, as such, the District does not have fire protection or weed abatement authority to proceed in accordance with Health and Safety Code Sections 14875 through 14922; and

WHEREAS, therefore, the District seeks to repeal Ordinance No. 93.

NOW, THEREFORE, THE BOARD OF DIRECTORS OF THE SAN SIMEON COMMUNITY SERVICES DISTRICT ORDAINS AS FOLLOWS:

SECTION 1. Recitals.

The above recitals are true and correct and are incorporated herein by this reference.

SECTION 2. Repeal of Ordinance No. 93.

This Ordinance repeals Ordinance No. 93.

SECTION 3. Severability.

If any section, subsection, sentence, clause or phrase of this Ordinance is for any reason held to be unconstitutional, ineffective or in any manner in conflict with the laws of the United States, or the State of California, such decision shall not affect the validity of the remaining portions of this Ordinance. The District Board hereby declares that it would have passed this Ordinance and each section, subsection, sentence, clause and phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared unconstitutional, ineffective, or in any manner in conflict with the laws of the United States or the State of California.

SECTION 4. Effective Date.

This Ordinance shall take effect thirty days after its adoption.

SECTION 5. Publication.

A summary of this Ordinance shall be published in a newspaper of general circulation and a certified copy of the full text of the proposed Ordinance shall be posted in the office of the District at least five days prior to the meeting at which the proposed Ordinance is to be adopted. Within fifteen days after adoption of the Ordinance, the governing body shall publish a summary of the Ordinance with the names of those members voting for and against the ordinance and shall post in the office of the district a certified copy of the full text of the adopted Ordinance along with the names of those members voting for and against the Ordinance.
