4A. GENERAL MANAGER'S REPORT November 8, 2017

1. Staff Activity – Report on Staff activities for the month of October.

During the month of October, staff sent out regular customer billing and the quarterly newsletter. In addition to preparation of the regular board meeting agenda, staff prepared agendas for a Water Committee meeting, a special meeting workshop, and a special meeting. Staff also completed the following items:

- Prepared paperwork associated with the appointment of Director Kellas.
- Staff responded to 3 public records requests.
- Sent notification to restaurants regarding the annual inspection for fats, oils, and grease (F.O.G.).
- Quarterly billing for the State of California.
- Prepared additional items for F.E.M.A. as part of the grant process.
- Prepared invoices for submittal as part of the Prop. 1 Grant process.

2. Reservoir Expansion/ Potable Water Project Tank Installation 30% Design -

As follow up to the special meeting workshop staff researched several items associated with the reservoir expansion project. Staff had phone calls with Cal FIRE's Fire Marshall and Division Chief for Fire Prevention in order to gather more information regarding the amount of community water storage necessary for firefighting. In addition, Staff researched a potential funding option provided by the State Water Resource Revolving Fund and contacted SDRMA to discuss Government Code 850 and 850.2.

MINUTES SAN SIMEON COMMUNITY SERVICES DISTRICT BOARD OF DIRECTORS REGULAR MEETING Wednesday, November 8, 2017 6:00 pm

CAVALIER BANQUET ROOM 250 San Simeon Avenue San Simeon, CA 93452

1. REGULAR SESSION: 6:00 PM

A. Roll Call:

Chairperson Williams – Present Vice-Chairperson McGuire – Present Director Patel – Present Director Russell – Present Director Kellas – Present

General Manager, Charles Grace District Counsel, David Hirsch Sheriff Representative, Commander Voge

B. Pledge of Allegiance

2. PUBLIC COMMENT:

Henry Krzciuk provided a handout to the Board members. He stated that the tank location and design was a continued conversation. He also explained the content of the handout. He also mentioned super hydrants and gave thanks to the Cambria Fire Chief Bill Hollingsworth. He asked that the Board please make decisions and provide direction.

Leroy Price asked about the attorney and his comments at the previous meeting.

General Manager Grace responded to Leroy Price stating that staff had mailed out a request for proposal (RFP) and Carmel and Naccasha had chosen not to respond.

A. Sheriff's Report October

There were a total of 6 calls for San Simeon for the period of October 12 – November 8, 2017. There was one suspicious subject call, one call for burglary, one for robbery, one petty theft call, one press pass, and one welfare check. There were also two incidents at the elephant seal viewing area that involved robbery calls. On October 16, an elderly female was standing in the street, screaming at deputies that happened to be passing by. On October 23, deputies responded to a call at the Motel 6 regarding a man with a gun. There was a miscommunication with dispatch resulting in a code 3 tactical response.

B. Public comment on Sheriff's Report

None

3. PRESENTATIONS AND ANNOUNCEMENTS FROM BOARD

None

4. STAFF REPORTS

A. General Manager's Report

1. Staff Activity – Report on Staff activities for the month of October.

During the month of October, staff sent out regular customer billing and the quarterly newsletter. In addition to preparation of the regular board meeting agenda, staff prepared agendas for a Water Committee meeting, a special meeting workshop, and a special meeting. Staff also completed the following items:

- Prepared paperwork associated with the appointment of Director Kellas.
- Responded to 3 public records requests.
- Sent notification to restaurants regarding the annual inspection for fats, oils, and grease (F.O.G.).
- Prepared & mailed the quarterly billing for the State of California.
- Prepared additional items for F.E.M.A. as part of the grant process.
- Prepared invoices for submittal as part of the Prop. 1 Grant process.

2. Reservoir Expansion/Potable Water Project Tank Installation 30% Design -

As follow up to the special meeting workshop, staff researched several items associated with the reservoir expansion project. Staff had phone calls with Cal FIRE's Fire Marshall and Division Chief for Fire Prevention to gather more information regarding the amount of community water storage necessary for firefighting. In addition, Staff researched a potential funding option provided by the State Water Resource Revolving Fund and contacted SDRMA to discuss Government Code 850 and 850.2.

Julia Stanert commented about the reservoir expansion water project. She inquired as to how the public could move forward with participating in project involvement. She also inquired about the high capacity fire hydrants.

Chairperson Williams responded that staff is moving forward on the 750,000 gallon storage project.

Henry Krzciuk asked about when the project would include public feedback.

Charlie Grace responded that Cal Fire had provided feedback about the idea of super hydrants and that the capacity would not work with their hoses.

Director Patel remarked that it might best to compare Henry Krzciuk's proposal with the existing proposal from Boyle Engineering.

Director Russell commented that this item was not on the agenda, and asked for a point of order.

David Hirsch responded and provided information about when the appropriate time would be to discuss this item.

B. Superintendent's Report - Summary of October Activities.

1. Wastewater Treatment Plant

- All sampling, testing and reporting at the Wastewater Treatment Plant and the Recycled Water Facility was performed as required by the RWQCB.
- Quarterly maintenance was performed on the blowers.
- One load of sludge was hauled away.

2. Water Distribution System

- All routine sampling and testing was performed. The monthly report was submitted to the State Water Resources Control Board (SWRCB), Division of Drinking Water (DDW).
- Staff completed construction of the Water Filter Project.
- Monthly water meter reading was performed.

3. District and Equipment Maintenance

- Staff continues with all of the scheduled preventive maintenance for all the equipment at the facilities. We are recording all of these activities.
- On Monday, October 16, 2017 PG&E had a scheduled a planned power outage between the hours of 12:15 AM and 6:00 AM. Staff was on site to monitor the facilities during those hours.

Henry Krzciuk asked about the water filter.

Jerry Copeland responded that we were waiting for the State to come out and inspect the filter.

A motion was made to approve Resolution No. 17-395.

Motion by: Director Russell 2nd: Director Patel All in: 5 / 0

D. Consideration of approval of Board Resolution 17-396 authorization for Office Manager, Cortney Murguia, to have Web Site Access (read only) to the District Bank Accounts. A motion was made to approve Resolution No. 17-396.

Motion by: Chairperson Williams 2nd: Vice-Chairperson McGuire. All in: 5 / 0

8. BOARD COMMITTEE REPORTS

None

9. BOARD REPORTS

Chairperson Williams reminded the Board that the election for Chairperson and Vice-Chairperson was coming up and asked that the Board keep this in mind.

10. BOARD/STAFF GENERAL DISCUSSIONS AND PROPOSED AGENDA ITEMS

Director Kellas said that she needed explanation as to the easement coverage and California Environmental Quality Act (CEQA) requirements for the water storage and Reservoir Project and to the California Environmental Quality Act (CEQA).

Charlie Grace responded to her that the existing easement was not subject to CEQA.

Director Kellas asked about the water data that had been supplied to Phoenix Engineering for the Water Master Plan.

Charlie Grace stated that he would ask Phoenix Engineering to present supporting documents as part of the draft presentation of the Water Master Plan. He also stated that he would provide a progress report on the status of this item.

Director Kellas requested that during the January Board meeting that there be an agenda item allowing for a comparison or analysis of the information that Henry Krzciuk had presented and the current information that staff was currently working on.

A consensus was reached to add this item to the January agenda. (4/1 Chairperson Williams No)

MEETING MINUTES NOTICE AND CALL OF A SPECIAL MEETING: San Simeon Community Services

San Simeon Community Services District October 11, 2017 Cavalier Banquet Room 250 San Simeon Avenue San Simeon, CA 93452

4:00 p.m.

RESERVOIR EXPANSION / POTABLE WATER TANK INSTALLATION WORKSHOP

1. ESTABLISH QUORUM AND CALL TO ORDER @ 4:03 PM

Roll Call: Chairperson Williams – Present Director Patel – Present Director Russell – Present Director McGuire – Present

General Manager, Charles Grace District Counsel, Tim Carmel

2. PUBLIC COMMENTS

Henry Krzciuk inquired as to when the appropriate time would be to speak about his suggestions and ideas regarding the project. He provided a handout to the Board related to fire protection and Phase I of the project. He provided an estimated cost to extend pipes under the highway which would provide water for "super hydrants". He stated that this approach is not intended to help development and that our priority should be fire protection and super hydrants.

3. DISCUSSION ACTION ITEMS

A. Discussion and consideration of solicited public comment while at 30% design for the potable water storage tanks in preparation of advancing toward 50% design.

Charlie Grace explained why the special meeting workshop was being held and introduced Jeff Densmore from the Division of Drinking Water (DDW) and Jon Turner from Phoenix Engineering.

Director Russell asked for clarification about the "super hydrant" terminology.

Henry Krzciuk asked Jeff Densmore about the 2-lines on the drawing and allowing for diversity to ensure the chlorination process works.

Jeff Densmore referenced criteria for water storage over 100,000 gallons and the requirement for both internal and external pipes. He also commented about the filter requirement, a dedicated pipeline, and the dual barrier approach.

Gwen Kellas asked about the requirement changing in terms of the fire flow numbers needed, and that the changes would be part of the 30% design.

Henry Krzciuk commented that the higher tank location would create more PSI and if the existing reservoir was connected that would reduce the PSI to what it is currently.

Jon Tuner responded that this would create a pressure fluctuation in the system, and that the intention of the 30% was to keep the doors open for design.

No action was taken.

B. Discussion and Consideration of establishing a Phase one project to include the installation of one potable water tank and distribution system improvements to satisfy water related fire prevention issues.

Jon Turner presented a power point presentation. The final calculated amount needed for storage is 1.44 million gallons.

Henry Krzciuk commented about funding options.

Staff provided information about the Prop. 1 grant money process and timelines, and stated that typically the USDA has better interest rates.

Henry Krzciuk provided a second handout with information about water storage requirements. He disputed that all that is needed for fire protection is 360,000 gallons.

Director Russell inquired about turnover.

Jon Tuner provided background history about the tanks, the separate inlet and outlet, and stated that the piping system provides mixing.

William Bellis from ATS spoke regarding the tank project.

Jeff Densmore commented on the water quality.

Director McGuire inquired about clarification of the tank sizes required by the state fire code.

Charlie Grace responded that the CALFIRE code is black and white.

Director Patel asked if the District is in violation of the fire code.

Charlie Grace answered Director Patel's question by stating that yes the District is in violation.

Henry Krzciuk stated that there is the possibility of asking CALFIRE to lessen their requirements through a petitioning process.

Julia Stanert remarked that the residents would be subsidizing the businesses because they require more water volume to put out a fire at their property.

Jon Turner responded with the potential ramifications with CALFIRE if the District didn't put the full capacity of storage on the hill.

No action was taken.

C. Discussion of funding sources and existing financial resources for the potable water storage tank project and priority one distribution system projects.

This item was not discussed due to time restraints.

4. ADJOURNMENT @ 5:21 PM

6. DISCUSSION ACTION ITEM PUBLIC HEARING

A. Consideration of Adoption of Resolution NO. 17-393 requesting weed abatement authority of vacant unimproved parcels from LAFCO.

6. DISCUSSION/ACTION ITEM PUBLIC HEARING November 8, 2017

A. Consideration of Adoption of Resolution NO. 17-393 requesting weed abatement authority of vacant unimproved parcels from LAFCO.

At the beginning of 2017 District Counsel determined that the SSCSD did not have the proper authority to require the removal of weeds from vacant unimproved parcels. On September 13, 2017, the District Board of Directors adopted Ordinance No. 118 which repealed Ordinance No. 93. This left the District without the ability to abate weeds, dead trees and other debris that can accumulate on private property. At that time, the Board of Directors also directed staff to move forward with obtaining weed abatement authority on vacant unimproved parcels from the Local Agency Formation Commission (LAFCO).

Attached is the Resolution No. 17-393. This resolution will be presented to the LAFCO Board, and requests that the San Simeon CSD be given approval for authority of weed abatement on vacant parcels. To ensure that the District has the ability to protect the community from additional fire hazards, staff recommends the approval of this resolution.

RESOLUTION NO. 17-393

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE SAN SIMEON COMMUNITY SERVICES DISTRICT FOR APPLICATION TO THE LOCAL AGENCY FORMATION COMMISSION TO ESTABLISH WEED ABATMENT AUTHORITY OF VACANT PARCELS FOR THE SAN SIMEON COMMUNITY SERVICES DISTRICT

WHEREAS, the San Simeon Community Services District ("District") is a community services district duly formed under Government Code Section 61000 et seq. to provide community services within the District's service area, including water, sewer, services and streets; and

WHEREAS, in order to establish the authority to provide for weed abatement authority, it is necessary, in accordance with Government Code Sections 56824.10 et. seq. to submit a resolution of Application to be filed with the Executive Officer of the Local Agency Formation Commission (LAFCO) for the purpose of scheduling a hearing by the LAFCO Commission for the approval of the exercise of said authority; and

WHEREAS, a noticed public hearing was held on November 8, 2017 by the District, and at that meeting there was the opportunity for public comment regarding this Resolution.

WHEREAS, the District is not in the sphere of influence of another city or special district that currently provides weed abatement services; and

WHEREAS, the District further finds that this Resolution was adopted at a duly noticed public hearing on November 8, 2017, pursuant to Government Code Section 56824.12(c).

NOW, THEREFORE, BE IT RESOLVED by the San Simeon Community Services District Board of Directors as follows:

- 1. The foregoing recitals are true and correct and are incorporated herein and constitute findings in support of this Resolution.
- 2. The provision of weed abatement authority will result in assurance of the public's safety.
- 3. Exhibit A, the Plan for Services, attached hereto and incorporated herein by reference, is approved for filing with the Executive Officer of the San Luis Obispo LAFCO.

- 4. The Executive Officer of LAFCO is requested to set the matter for a public hearing by the Commission pursuant to Government Code Section 56824.14 and the rules and regulations of LAFCO.
- 5. LAFCO is requested to approve the proposal of the San Simeon Community Services District to provide its residents with weed abatement services pursuant to Government Code Section 61100(t).

Upon motion of Director ______, seconded by Director ______ and on the following roll call vote to wit:

Background

The San Simeon Community Services District (SSCSD) is located on Highway One in north San Luis Obispo County, California. The San Simeon Acres Service District was formed pursuant to an election and Resolution of the San Luis Obispo County Board of Supervisors on May 8, 1961. The name of the District was later changed to San Simeon Community Services District.

The SSCSD is organized under California Government Code Section 61000 et al, Community Service District law. The SSCSD is currently empowered by its authorizing statutes and pursuant Code Section 61100 to provide the following services: road maintenance, water, sewer and street lighting

Five members living within the boundaries of the SSCSD serve as elected board members. The regular meetings of the Board are on the second Wednesday of the month at the Cavalier Banquet Room at 250 San Simeon Ave., San Simeon. The Board employs Grace Environmental Services to run the day to day operations and maintenance of the SSCSD. These includes a general manager, office manager, plant superintendent, and water operator.

Funding

The SSCSD is funded through water and wastewater revenues and property tax revenue from San Luis Obispo County.

Weed Abatement Power (Unimproved Parcels)

On February 9, 2000 the SSCSD Board of Directors approved District Ordinance No. 93. This ordinance contained language regarding weeds, dead trees, and other debris that could create a risk of fire or safety hazards with the SSCSD boundaries. This Ordinance was used to create an enforceable weed abatement program for the community of San Simeon.

Our records indicate that yearly weed abatement notices were mailed to the owners of vacant unimproved parcels in San Simeon. This notices referenced the authority of the SSCSD to require abatement under Ordinance No. 93.

In early 2017, current staff and District counsel determined that this ordinance was actually unenforceable. Staff became concerned about the potential liability for the District if they continued the weed abatement program under the guise of Ordinance No. 93. Over the course of several Board meetings this item was discussed. In September 2017 the Board voted to repeal Ordinance No. 93. This leaves the community of San Simeon without any enforceable weed abatement authority for vacant unimproved parcels. There are currently 18 vacant unimproved parcels in San Simeon. The size of these parcels varies, but all are larger than 5,000 square feet.

The agency that has fire authority in San Simeon is Cal Fire. Currently, there is no Countywide weed abatement ordinance that would allow Cal Fire to clear vacant lots. Cal Fire currently operates under Public Resources Code Section 4291, which is limited to improved parcels only. The lack of a County-wide weed abatement ordinance means Cal Fire cannot enforce weed abatement on vacant lots.

The SSCSD Board desires to activate its latent power to obtain weed abatement authority pursuant to Government Code Section 61100(t) for the vacant unimproved parcels located within our current boundaries pursuant to Health and Safety Code Section 14875-14922.

There is currently no agency responsible for weed abatement authority of vacant unimproved parcels in the community of San Simeon.

Benefits to San Simeon CSD Residents

The main benefit of this request is to help protect homes and businesses located in our community in the event of a fire. The community needs the ability to help mitigate potential fires in the community. The vacant lots are located sporadically throughout San Simeon. Large unabated lots hinder neighboring parcels ability to secure defensible space around improved properties. The removal of overgrown weeds, dead trees and other flammable material from vacant parcels will reduce the amount of damage that could incur from a fire in our community.

This power is very much needed to help ensure the safety of our community members.

The following is a summary of Board of Directors meetings during which weed abatement authority and obtaining this power from LAFCO were discussed.

- July 12, 2017, Board meeting to discuss ordinance no. 93 and weed abatement procedures in our community.
- August 9, 2017, Board meeting to discuss obtaining weed abatement authority from LAFCO. Captain Tony Gomes from Cal Fire was present to answer questions from the Board and members of the public.
- September 13, 2017, Board meeting to discuss activation of weed abatement authority from LAFCO.

Plan for Services

- 1. <u>Service Level</u>. The same level of service that has been performed for weed abatement since 2001 is proposed.
- 2. <u>Service Area</u>. The current service boundaries of the SSCSD are to be included in this proposal. A map of the current vacant parcels to be included in this agreement area is attached as Exhibits B and B-1.
- 3. <u>Service Fees</u>. There will be no increase in fees charged to owners of improved parcels or of vacant unimproved parcels. Vacant lot owners who fail to clear their lots within the timeline designated by the Board of Directors of the SSCSD, will be subject to abatement fees. Any fees accessed to vacant parcels will be based actual costs associated with lot clearings. Additionally, the SSCSD will access an administration fee in the amount of \$100.00. This fee will be used to support the cost of reimbursing the contractor for the work performed, and to reimburse the general fund for the cost of administration to perform this service.
- 4. <u>Service Financing</u>. The SSCSD maintains sufficient cash reserves to create and implement this program. Costs associated with implementing this program each year are under \$750.00. Any additional costs incurred by the District to abate a vacant unimproved parcel shall be passed on to the owner of this parcel. The District will work with the San Luis Obispo County Tax Collector to add these charges onto the lot owner's property tax bill, should these owners fail to pay charges.
- 5. <u>Service Management</u>. The General Manger of the SSCSD and office staff serve fulltime and perform the administration and management of all SSCSD business.
- 6. <u>Service Regulations</u>. The SSCSD maintains a Code of Ordinances that provides for rules and regulation related to District services. The District will pass a new ordinance to include weed abatement services.

Terms and Conditions for the weed abatement power

1. Upon adoption of this resolution by LAFCO, the San Simeon Community Services District shall be the authorized local agency to provide weed abatement services within the San Simeon Community Services District boundaries.

7. DISCUSSION ACTION ITEMS

A. Consideration of approval of Board Resolution Honoring Alan Fields for His Service on the Board – NO. 17-392.

A. Consideration of approval of Board Resolution Honoring Alan Fields for His Service on the Board – NO. 17-392.

Attached is a Resolution for Alan Fields commending him for his service to the San Simeon Community Services District Board and the Community of San Simeon.

Staff recommends approval of Resolution 17-392.

B. Consideration of approval of Board Resolution 17-394 designating the applicant's agent for Disaster Assistance for Non-State Agencies.

In April of 2017 District staff submitted two projects as part of the grant application process with Federal Emergency Management Agency (FEMA). Both FEMA and the State of California Office of Emergency Services (Cal OES) require that all recipients have a valid, current (within the last 3 years) resolution naming the Authorized Agents (Cal OES 130) on file. The Cal OES 126/Form 1 must be signed by one of the Authorized Agents listed in the attached resolution. This process is standard as part of the grant process. This resolution is necessary in order to ensure that the SSCSD is able to obtain grant funds, when they are distributed. Attached please find a copy of the letter from Cal OES advising of this requirement. Staff recommends approval of Resolution 17-394.

C. Consideration of approval of Board Resolution 17-395 authorization signatures for banking services on behalf of the District.

Attached for Board review and approval is Resolution 17-395. This Resolution grants signing authority to Director Kellas for District bank accounts. Alan Fields is also being removed from having signing authority. Staff recommends approval of this resolution.

D. Consideration of approval of Board Resolution 17-396 authorization for Office Manager, Cortney Murguia, to have Web Site Access (read only) to the District Bank Accounts.

Attached for Board review and approval is Resolution 17-396. This Resolution grants Cortney Murguia read only web site access to the District bank accounts. This power is necessary in order to allow Cortney to conduct routine review of the money marketing and general checking bank account statements for the District. Staff recommends approval of this resolution. WHEREAS, the Board of Directors of the San Simeon Community Services District would like to express their sincere appreciation to Alan Fields for his thirteen years of service and devotion to the District and the Community of San Simeon; and

WHEREAS, the Board of Directors of the San Simeon Community Services District would like to express their sincere gratitude for his foresight in participating in the process in which to upgrade the District's water and wastewater service systems; and

WHEREAS, the Board of Directors of the San Simeon Community Services District would like to commend Mr. Fields for his many tireless hours of voluntary service and dedication toward the wellbeing of the District, and

WHEREAS, Mr. Fields supported and encouraged the District's pursuit of the Water Treatment Project and Recycled Water Project, and

WHEREAS, Mr. Fields has worked selflessly towards the best interests of the San Simeon Community Services District and its residents, and

WHEREAS, the Board of Directors, staff and citizens of San Simeon will greatly miss Alan Fields' contributions and personal commitment to the District.

NOW, THEREFORE, BE IT RESOLVED that the Board of Directors of the San Simeon Community Services District does hereby acknowledge the many contributions that Alan Fields made to the District.
