

San Simeon Community Services District

October – December 2021

NEWSLETTER

4th Quarter: November 10, 2021

BOARD MEMBER VACANCY

The San Simeon CSD is looking for interested individuals to become of a member of the San Simeon CSD Board of Directors. The District is accepting applications for a Board member vacancy.

Applications are available outside the District Office, can also be found on the District website, and are available by calling the District Office at 805-927-4778. Applications are due on or before 10 am on Monday November 29, 2021.

This is an excellent opportunity to become part of your local government and participate in important decisions that impact water, wastewater, and street infrastructure with the goal of improving the community in beautiful San Simeon.

FOG (FATS, OILS, GREASE)

With the holidays approaching, many of us are doing more cooking and need to take care regarding disposal of fats, oil, and grease. These substances should be discarded in the trash not down the kitchen sink where they will solidify and cause clogs in your plumbing. Pour off liquid grease into a tin can, allow to cool, and place in trash. Wipe out greasy pans with paper towels before washing. Also go easy on things going down your garbage disposal. Too much at once, especially when prepping holiday meals, can cause unwanted clogs and back-ups.

GET INVOLVED WITH THE COMMUNITY

The SSCSD welcomes input and participation from the community and encourages residents to attend the monthly board meetings. Details about the next board meeting and how to attend are included at the bottom of this newsletter.

In addition to the quarterly newsletters, information regarding the SSCSD can be found at www.sansimeoncsd.org. Residents can also contact SSCSD by visiting the office at 111 Pico Avenue in San Simeon or calling 805-927-4778. The District office has masks, plexiglass and hand sanitizer to prevent the spread of Covid-19.

TRASH FACTS: BE IN THE KNOW

Questions about your trash service? If you aren't sure what the rules are, contact Mission Country Disposal directly at (805) 543-0875.

For more information about trash and recycling service visit:

<http://www.missioncountrydisposal.com>

WATER CONSERVATION

California has long been at the forefront of water conservation, becoming the first state to adopt urban water use efficiency targets with the Water Conservation Act of 2009.

NEXT BOARD MEETING

Tuesday December 14, 2021 at 5:00pm via Zoom.

The San Simeon Community Services District is committed to maintaining the highest standards of fairness, ethics, and integrity in all that we do, while producing positive results that improve sustainability and control costs.
